**TEACHING REQUIREMENTS:** All parents are required to teach one class in the K5-6<sup>th</sup> grade level, unless they are already committed as a coordinator, preschool teacher, or other regular monthly job. We are asking you to choose to be a lead teacher or a co-teacher. The lead teacher will only lead in the sense that she will choose the topic and the general direction of the class. The co-teacher will still participate in all aspects of planning and implementing the class. *If this is your first year in E-Day or you are not confident in teaching a class, sign up as a co-teacher and you will be paired with an experienced lead teacher. We cannot guarantee that we will have enough lead teachers to match up with those who want to be co-teachers, but we will do our best.* We will try to put an experienced homeschool mom with a new homeschool mom, at the very least. After you have been assigned, the coordinator for the grade level will communicate with you to share the topics that have been taught in the past year to avoid duplication.

This year we will again give you the option to opt out of teaching/co-teaching by charging you \$50. Check below if you're interested and we will contact you *if this will be possible.*

\$50 Fee to Not Teach \_\_\_\_\_ (this is a possibility, depends on number of teachers)

We will be giving teaching assignments based on your availability and grade preference. Please select your 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> choice of grades, and any months you absolutely cannot teach. We will contact you with your teaching assignment. Please do not ask for a specific grade and month, we already have paid teachers we have scheduled into some of these times, so not all months are available for all grades.

Grade Choice	Cannot Teach These Months
K5	September
1 <sup>st</sup> grade	October
2 <sup>nd</sup> grade	November
3 <sup>rd</sup> grade	January
4 <sup>th</sup> grade	February
5 <sup>th</sup> /6 <sup>th</sup> grade	March
No Preference	April

**HELPER ASSIGNMENTS:** Each month you are not teaching a class you will be assigned to a class as a parent helper. We would prefer to assign each parent to one class for Fall and a different class for Spring. Please list your 1<sup>st</sup> and 2<sup>nd</sup> choices for Fall and for Spring. We will attempt to honor these choices, but please understand that our first priority is to provide adequate coverage for every class. If you are listing a preschool or babies class as one of your choices, please list your child's name that you wish to be with since it is not certain which classes they will be assigned to yet. If you have an older child going with CHEERServe (middle school) and would like to assist them by driving, please list CHEERServe as your 1<sup>st</sup> or 2<sup>nd</sup> choice and we will try to accommodate you.

Fall	1 <sup>st</sup> Choice		2 <sup>nd</sup> Choice	
Spring	1 <sup>st</sup> Choice		2 <sup>nd</sup> Choice	

**PIZZA LUNCH:** There is no early registration or payment for pizza lunch, however, we do ask that each family that plans to attend, even a few times, to sign up to serve or clean up one month through the year. Servers are required to leave class at 11:45 and will be helping until at least 12:15. Clean up is completed by 1:00. **Children are not allowed to help at the serving table with parents.** We will assign you to a month, please **list any months you are unavailable.**

\_\_\_ I will not be attending pizza lunch at all.

I am **unavailable** to help on these months: \_\_\_\_\_
